Ph: (412) 687-1366
Fax: (412) 687-0340
Office@CombustionInstitute.org
CombustionInstitute.org

Program Co-Chairs:

Dr. HdR Bénédicte Cuenot
CERFACS
France

Dr. Nils Hansen
Sandia National Laboratories
United States

Reasons for Desk Rejection

1. The manuscript does not fall within the aim and scope of the Combustion Symposium and/or the Proceedings of the Combustion Institute
2. The manuscript does not conform to the journal's Author Guidelines
 - a) Suspected plagiarism
 - b) Under review at another journal
 - c) Too long
 - d) The manuscript is incomplete (missing references, figures, tables, etc.)
3. The manuscript ignores important literature in the field
5. The manuscript's results are not new, i.e. the findings are not significant
6. The manuscript is not of archival quality
 - a) Obvious flaws in the experimental and/or computational procedures or analysis of the data
 - b) Obvious flaws in the manuscript's arguments and/or conclusions
 - c) Language
